Welcome! Eston Communities in Bloom is pleased to introduce you to our community.

Our group works diligently at promoting the Communities in Bloom program and encouraging community pride, a benefit to everyone. The Town of Eston supports our local Communities in Bloom by way of an annual \$2500.00 grant and having one council representative available to attend our meetings. The Town crew has been very busy this spring extending our town's local camping sites, opening up new trailer lots, and developing new housing lots in response to a busy influx of new oil industry workers in our area. As well, they have continued to support the Town Council and our Communities in Bloom in keeping the town clean and in good repair, as well as welcoming. In July, the town crew took part in a Tree Pruning Workshop hosted by our group in conjunction with Andrew Exelby, from Saskatchewan Parks and Recreation. The town's water tower was sandblasted and painted in July with our new town logo, *Golden Fields and Harvest Moons*.

Eston Communities in Bloom members Val Mohan, Leslie Kraft, Doreen Reaburn, Ellen Owens, Shelagh Vance, Jill Thome, Loreen Buskell, and Rob Myers (town rep)

General Information

Community: **Town of Eston** Population: **1031**

Total area of Community: **Approximately 320 acres**

Percentage of Community budget dedicated to parks: **2%**

Percentage of Community land consisting of municipal parks/green spaces: **11%**

The Town of Eston is located in the heart of West Central Saskatchewan at the junction of Highways 44 and 30, within the boundaries of the Rural Municipality of Snipe Lake. It is an oil-rich area which boasts prime agricultural land as well as many opportunities for hunting and fishing. It is approximately 15 miles north of the South Saskatchewan River and the Eston Riverside Regional Park, a prairie oasis boasting excellent camping, a nine-hole golf course with grass greens, a swimming pool and a recreation hall. The Lancer Ferry which crosses the South Saskatchewan River is nearby.

The town boasts a busy business district with services including a drug store, a grocery store with liquor vendor, two motels, restaurants, two gift shops, a bakery, a service station and a card lock, a bank, a credit union, a dumping station, a lumber yard, a hardware store and a farm implement/car and truck dealership. Tradespeople, including plumbers, electricians, carpenters, building contractors and welders are resident in the town. There are also a number of businesses serving the local agricultural industry. Eston has its own weekly newspaper, *The Press Review*, and a local television station. The Saskatoon *Star Phoenix* is available on a daily basis.

The town has a resident physician and nurse practitioner, a health center where both emergency and long term care services are available, and a chiropractic clinic.

[Eston Health Centre resident and a staff member tend the raised gardens and tomatoes planted by residents \(July, 2014\)](#)

Eston has its' own local RCMP detachment, with two members residing in the community.

The Regional Library on Main Street has a large selection of books, magazines and other materials and provides free internet service. Eston is linked to a province-wide network for the borrowing of books and other library materials. The **local genealogical society** has a small library within the main library. Copies of the local newspaper are available on microfilm from 1917 to the present.

The Community Complex is a large multi-use recreation and convention centre that provides year-round recreational opportunities including hockey, bowling, curling, figure skating, and access to the local Larry Thome Fitness Centre. Adjacent is the Eston Lions Swimming Pool which offers public swimming, water aerobics and swimming

lessons during the summer season and Reaburn Field, the senior ball diamond. There are several minor ball fields located nearby as well. There is also an in-town camp ground adjacent to the community complex. Two other parks, Jamieson Park and Henry Hamilton Park, also provide **green space**.

Eston has two private dance schools, as well various offerings of aerobics, boot-camp, and other fitness classes. Classes are also available in other areas of fine arts, such as instrumental and voice lessons.

The local Wheatland Plus 50 Club provides a varied program of activities for those over 50 years of age.

Eston boasts three **municipal heritage buildings**, one on Main Street, the local museum complex, and the Prairie West Historical Centre. In addition to preserving artefacts illustrating the area's past, the Centre is also building up a collection of archival material pertaining to the area.

The town has two schools, Eston Composite - a K-12 school, and Eston College, a degree-granting institution (formerly the Full Gospel Bible Institute.)

There are four active churches: Eston Full Gospel Church, Holy Cross Anglican Church, Sacred Heart Roman Catholic Church, and St. Andrews United Church.

There is an airport in town with two paved runways; #11 is .92308 km long while #16 is 0.6 km long.

Annual events in Eston include Ladies Night Out in April; the June Eston indoor Rodeo; July 1st Canada Day events include a parade, sports events at the recreation grounds, a beef-on-a-bun lunch and a heritage program at the museum; fowl suppers are held in season; the Ducks

Unlimited Dinner takes place in October; Bizarre Bazaar, a large craft show and sale is held in November, as well as a museum fundraiser - Christmas in November, a ladies luncheon, fashion show and silent auction; a local drama group, E.P.I.C. hosts an annual Dinner Theatre/ community Christmas party, and the Eston 95 Lions host a Christmas light tour for seniors. There are many, many more events throughout the year, including ball, soccer, golf, curling, hockey, the skating carnival.

Eston offers up an assortment of service and social clubs including two Lions Clubs, Ducks Unlimited, Prairie West Historical Society, the Arts Council, Music Festival Committee and a Genealogical Society.

Town of Eston

Eston Communities in Bloom Committee Members:

Back: Loreen Buskell, Ellen Owens, Shelagh Vance, Doreen Reaburn
Front: Leslie Kraft, Jill Thome, Val Mohan (September, 2013)

We are a group of volunteers that make up the Eston Communities in Bloom group, which was begun at the request of the Town of Eston. Community support is sought through word-of-mouth activities, local advertising, mail, media reports, and posters of events such as community clean-ups, etc. Through media write-ups, we also regularly request information from community groups detailing events or projects that would be considered under the umbrella of Communities in Bloom.

Our core group meets at various times throughout the year to plan work bee dates and various projects. Any new projects that need Town help in implementing and maintaining are always pre-approved by Town Council.)

2015 Communities in Bloom Projects (September 2014 to August 2015)

- **NEW for 2015 – New Perennial/Shrub Bed at town Campground Entryway** – beside town fire hall
- **NEW for 2015 – Fall Tulip Bulb** sale fundraiser
- **NEW for 2015** – Planning and fundraising began for a new ***Centennial Park*** in the downtown business district. Phase 1 of the development will be started in the spring of 2015; Phase 2 – final touches – in the fall and spring of 2015/2016.

Maintenance and Continuation of previous Communities in Bloom Initiatives

- **Mulch (Tree Peelings)** (a CIB Initiative) – we continue to sell mulch to local residents, as well as adding mulch in our own perennial beds annually.
- **Banners** (a CIB initiative) – we purchased banners that are hung every spring on the street light poles on main street
- **Hanging Flower Baskets** (a CIB initiative) – we purchased, and now plant, maintain, and help water hanging baskets on main street (watering help from the Town crew during the week)
- **Bloomin' Barrels** (one of our first CIB initiatives!) – we purchased, and annually plant and maintain several “urban desert” flower planters around town, as well as a few of the cement planters and various oak barrel planters downtown. Our “old” whiskey barrel planters were given out to various local businesses for planting.
- **Eston Gopher** – CIB plants and maintains flowers around the gopher and looks after weed control, as well as recruitment of groups to help with maintenance repairs and to build the fence behind the gopher.

- **CIB has initiated and developed the following Perennial Beds, as well as the continued maintenance of:**
 - Andrea's View
 - Pocket Garden on east side of Main
 - Peace Park
 - Henry Hamilton Park
 - New Pocket Garden on west side of Main
 - Campground Pocket Garden
- **Town Entrance Planters** (a CIB initiative) – continued maintenance of native perennials in the planter boxes at the entry signs to town
- **Work Bees** – CIB does regular cleanup in various areas around town.
- **Weed Control** in various areas around town
- **Local Yard Judging** (CIB Initiative) - an annual project to involve community members in recognizing residents who work so hard at keeping up their yards.

One of our "Pocket Gardens" on Main Street.

Communities in Bloom members working on the Henry Hamilton Park Beds – July, 2014.

Working on our new Centennial Park; first tulips in the newly developed “Campground bed”.

Brief History of Eston Communities in Bloom

Eston Communities in Bloom, or “CIB” as we call it, was started in 2000 at the request of the Town of Eston. A small group of like-minded people got together, and with a grant from the town, we began. Our goal was to focus CIB as an ongoing “community project” that would not only improve the looks of our town and encourage civic pride, but would also earn our community a good rating in the annual provincial judging.

Eston CIB’s first year concentrated on the business section, promoting and fundraising to purchase wooden barrels that we filled with flowers and placed along Railway Avenue and Main Street. (... these are our *Blooming Barrels* that you still see downtown today.) We also held several community “clean-up” days. We received 1 Bloom that year.

Since the first year of inception we have many taken on many different projects including, but not limited to, the following:

- information booths at the local trade show
- sponsored pumpkin, tomato and flower growing contests and craft projects for children
- held boulevard tree-pruning days
- annual community clean-up days
- recently we hosted a table at the town’s first “*Welcome to Eston and Volunteer Organization Showcase*”
- held a spring tree pruning workshop, with sponsorship from SPRA
- have helped with the dividing and re-planting of heritage peonies at the Eston cemetery.

Over the years, the community has learned more about Communities in Bloom, and has seen firsthand the benefits to our community. The banner of CIB has paid off in many ways for our community and we hope to continue for years to come.

“Communities in Bloom - People, Plants and Pride... growing together”

Tidiness (of green spaces, medians, boulevards, sidewalks, ditches and road shoulders including garbage, debris and weeds. Signage, posted notices, scrap yards, unattended or vacant lots, alleys and buildings are also included.)

- Local CIB holds cleanup nights (street, sidewalk and lot cleanups)
- Individuals – Local Walkers pick up garbage, bottles, etc. as they are out on daily walks
- *Caring Hands* – local volunteer group of Health Centre staff that look after the grounds and beautify the inside of the building as well
- In addition to regular garbage pickup, the Town of Eston offers a spring and fall back alley pickup to pick up yard refuse.
- The school staff and students do an annual spring cleanup of litter around the schoolyard and town streets.
- The Gatenby community group holds their own spring cleanup in their neighbourhood
- Town policy is to cover or remove graffiti when it appears.
- Adopt-A-Lot Program – people can “adopt” town lots for their own use, with the agreement that they will be responsible for cleaning and keeping the lot mowed, tilled, etc.
- The Town has introduced a new Community Appearance Policy to promote individual and business tidiness
- The Town of Eston has a weekly front street garbage pickup; a weekly recycle pickup; and regular monitoring of the town landfill site.
- the Town owns a Street sweeping vehicle
- Streets repaired regularly; some newly paved streets every year with long-term plans to continue

| | | |
|---------|---|----------|
| Policy: | TOWN OF ESTON | No: A2C |
| | COMMUNITY APPEARANCE INCENTIVES | |
| | Approved: April 13, 2011 Revised: | Initial: |

Purpose: To provide incentives for the residents and businesses in Eston to improve the appearance of their properties to the benefit of the community.

Policy:

Residential:

1. As part of the Communities in Bloom judging for best yard in Eston a listing of properties showing a considerable effort into appearance of their property will be made by the judges. The criteria for the selection will include general appearance of the property. Properties with painting or renovations completed in that year will also be eligible.
2. By random draw improved properties will receive a cash payment of \$100.00. The number of payments will be limited to 50% of the properties selected to a maximum of four.
3. For rental properties where the improvement is related to the building the owner will receive the payment, where it is in regards to the appearance and maintenance of the yard the payment will go to the tenant.

Commercial:

1. Commercial properties that have and maintain a plant display will be eligible for a random draw for a cash prize of \$150.00.
2. Commercial property owners who improve the appearance of their property by painting, renovations or landscaping may enter their name into a draw for a \$150.00 cash prize to be applied to their taxes.

Heritage Conservation (museums, archives, history books and interpretive program. Policies and bylaws on preservation and restoration of buildings, homes, churches, cemeteries, sites, parks, heritage gardens, trees, monuments and artifacts are important to a community's heritage. Involving the historical society and heritage advisory committee is important.)

- Town has several buildings designated as historical sites: Evans House, Lovedale School, the Town Office, and the former R.M. Office building

- Prairie West Historical Society – we have a strong, active museum and committee that works towards preserving, restoring and educating our community on historical artifacts, buildings, etc. On July 1st they held a dedication to the newest addition, a school barn.

- Genealogical Society – consisting of a group of interested members
- Museum offers regular tours and demonstrations to both local and out-of-town school groups
- Heritage Garden at the Museum
- The local Prairie West Historical Society hosts annual Canada Day celebrations at the museum

- Gallery of Glory – a display and history of achievements of local people
- local ex-pat and philanthropist, Dr. Frederick Mulder, has donated a Pablo Picasso print to our local museum

Our File: MHP 2403

Mr. Gary Johnson, Administrator
Town of Eston
P.O. Box 757
ESTON SK S0L 1A0

RECEIVED MAY 26 2011

Dear Mr. Johnson:

This letter acknowledges receipt of a copy of your notice of intention to designate and a certified copy of your Bylaw No. 10-2010 to designate the following as Municipal Heritage Property:

Lovedale School
Municipal Reserve MR5

As required by section 12(3) of *The Heritage Property Act*, please ensure that you have:

- served all property owners included in the bylaw with a notice of designation;
- registered an interest based on the notice of designation in the Land Titles Registry against all titles for the parcels of land included in the bylaw.

We are pleased to include this property on the **Saskatchewan Register of Heritage Property** (www.tpcs.gov.sk.ca/heritage) and to nominate it for listing on the **Canadian Register of Historic Places** (www.historicplaces.ca). Our office may contact you, should we require further information to support this listing.

The Town of Eston is to be commended for preserving its heritage through public recognition and protection under *The Heritage Property Act*.

Please feel free to contact me if you have any questions.

Sincerely,

Jennifer Bisson
Municipal Designations Advisor

The Gap

Located 20 km Southwest of Eston, landmark for early travelers located at the edge of the River Hills.

Lancer Ferry

Located 23 km South of Eston this ferry has operated since 1913.

Plato Post Office

Said to be the smallest free standing Post Office operating in Canada.

Floral Displays (Includes arrangements, originality, distribution, location, balance, color, variety, harmony and maintenance of flowerbeds, planters, containers and window boxes.)

- you will note many floral displays throughout our community. CIB has worked hard to maintain several of these displays, as well as encouraging local residents and businesses to do the same

- Communities in Bloom barrels are placed in various areas around town, with CIB members doing the planting and maintenance
- Town-owned Concrete Planters are placed in front of businesses on main street with local businesses alternating year to year on the planting and maintenance of the planters
- Hanging Floral Baskets purchased by Communities in Bloom are hung on streetlights on main street, with Town Employees and CIB members sharing the watering duties
- Local businesses and community members are encouraged to plant and maintain their own flower beds in front of homes and businesses
- A Perennial and Annual Flower bed has been started in an abandoned brick building on Main Street, adding great visual appeal to that area
- Perennial Flower beds developed and maintained by CIB members include 3 small parks on main street; Andrea's View on Railway; and beds in Henry Hamilton Park

Environmental Action (with regards to sustainable development including policies and by-laws on waste reduction, landfills, hazardous waste handling, sewage disposal, recycling and transfer stations. Also environmental practices including IPM-Integrated Pest Management, water sources and conservation, environmental clean-up activities, naturalization and living in harmony with nature, and environmentally friendly transportation are all included.)

- Sparks Waterway project – local Squirts group has painted around several town manholes to raise public awareness in keeping our waterways and storm sewers free of chemicals and pollutants.
- Town offers curb side pickup for recycle materials.(In partnership with Sarcan). The Town won an award for being a good steward of waste – the Waste Minimization Award, hosted by Sask Waste Reduction Council and Sask Power.
- SARCAN centre for recycling pop cans, bottles, etc. Local Sarcan Centre has won a Customer Service Award for Accuracy
- Recycling operations at the Eston Recycle Centre include paper, glass, tin, electronics, oil, paint and other hazardous waste at one convenient location.
- Weekly front yard garbage pickup

- Spring and Fall Yard Clean-up encouraged by Town every year – with back alley pickups
- Town Landfill monitored for proper garbage disposal and separation
- annual Waste Oil collection sponsored by local RM's
- Scrap tire pickup and recycling programs are sponsored by both the RM of Snipe Lake and the Eston Lions Club **Local walkers** picking up garbage
- Local walking groups pick up garbage and collect discarded pop cans and bottles (donating the money to charitable organizations)
- Composting location offered for grass clippings and suitable yard waste adjacent to town shop
- Andrea's 3 R's – local business for gently used goods|
- Annual Community Garage Sale
- Solar heated swimming pool
- IPM (Integrated Pest Management) program in place
- State of the art water treatment/purification system
- promotion of the Saskatchewan Watershed low flush toilet rebate
- "No Water Wednesdays" in summer months allows for Town to water local parks and conserve water
- surface water to Hanson Lake (at Jamieson Park) – use of grey water on green spaces, including the local school football field
- Local Ducks Unlimited Group
- Urban Planters – Communities in Bloom barrels for planting flowers – these barrels conserve water

BYLAW NO. 12-2010

A BYLAW of the Town of Eston, in the Province of Saskatchewan, to increase recycling.

THE COUNCIL FOR THE TOWN OF ESTON IN THE PROVINCE OF SASKATCHEWAN ENACTS AS FOLLOWS:

1. SHORT TITLE

- 1.1 This Bylaw may be cited as Landfill Recycling Bylaw

2. PURPOSE

- 2.1 The purpose of this Bylaw is to eliminate the disposal of recyclable materials in the landfill.

3. DEFINITIONS

- 3.1 In this Bylaw:

a) **Recyclable Materials**

Includes all materials that can be deposited or collected for recycling in the Town of Eston and includes, but is not limited clean cardboard and paper, plastic and glass containers, batteries, tires and electronic equipment.

b) **Scrap Metal**

Includes all metals with the exception of tin cans and propane tanks.

c) **Landfill Supervisor**

Any employee assigned duties or person contracted by the Town of Eston to provide supervision at the landfill.

4. ACCESS TO LANDFILL

- 4.1 Public access to the landfill is not available for any recyclable items as determined by the Town of Eston with the exception of scrap metal.
- 4.2 The Landfill Supervisor shall determine if any material is recyclable and will require that it not be unloaded.
- 4.3 Failure to follow the instructions of the Supervisor or disposing of recyclable materials at the landfill will result in future access of any kind being denied.

5. OFFENCES AND PENALTIES

- 5.1 No person shall:

- a) fail to comply with to this Bylaw;
- b) obstruct or interfere with any Landfill Supervisor or any other person acting under the authority of this Bylaw;
- c) fail to comply with any other provision of this Bylaw.

- 5.2 A Landfill Supervisor who has reason to believe that a person has contravened any provision of this Bylaw may have served on that person a Notice of Violation, which Notice of Violation shall indicate that the Municipality will accept voluntary payment in the sum of One Hundred Dollars (\$100.00) to be paid to the Municipality within thirty days.

Urban Forestry (Written policies, by-laws and regulation plans. The distribution of trees, variety, suitability, new plantings, main street programs, new survey developments, preservation of heritage trees, woodlots, and re-planting procedures. Having qualified personnel (volunteer or staff) for professional maintenance, pruning, IPM and trouble-shooting.)

Eston School Students and community volunteers planting trees in the new Urban Orchard - September 27th, 2012

- Town has adopted policies for the management, selection and replacement of trees
- Town has obtained equipment, including a bucket truck, and has trained employees for proper pruning techniques
- Town will be investigating options for Dutch Elm Disease Inspection now that the province is no longer supporting this service in this area
- A variety of trees have been planted to increase diversity both for aesthetics and to mitigate problems in a disease or pest that affects particular types of tree

- the Town is utilizing IPM to protect trees through early identification of pests and diseases
- In September of 2013 the Eston CIB received a \$5000 grant from Canon which was used to plant over 250 trees in the start of a new Urban Orchard - located on old school grounds, potential for small fruits. In the spring of 2013 Saskatoon bushes were added. In the summer of 2013 our Communities in Bloom group has voluntarily done several “weeding” work bees around these newly planted trees. (See a copy of the article that appeared in the “Directions” magazine as well as the provincial Communities in Bloom magazine.)
- in July of 2014 Communities in Bloom held a Tree Pruning workshop, sponsored by Saskatchewan Parks and Recreation. Town employees attended the workshop, as well as many community members.

Brenda Winney, Andrew Exelby (Sask Parks and Recreation), Leslie Kraft (Communities in Bloom member) and Brenda Morgan, Sask Parks and Recreation Summer student, checking out the trees in our Urban Orchard after the Pruning Workshop that was held on July 23,

ESTON COMMUNITIES IN BLOOM URBAN ORCHARD PROJECT

Eston's Urban Orchard Project, an example of community development, engagement and a dedication to quality of life.

In September 2012, phase one of a new Urban Orchard and Park took root in the community of Eston. The local *Communities in Bloom* committee were the fortunate recipients of a \$5,000 Canon Take Root grant, sponsored by Canon and Evergreen. The grant was used to begin the development of this new park, encompassing help from the Town of Eston, *Communities in Bloom*, Eston Composite School students and community volunteers. Upon completion, over 500 new fruit trees and shrubs will be planted in this new urban orchard and park.

the park and see what a difference their contributions have made in the community for generations to come." Following that, Cathy Cocks, an orchard owner from Empress Alberta, gave an instructional presentation on the importance of trees and a quick lesson on how to plant the trees. Once the brief presentations were completed, it was off to the planting site!

What a sight to behold, with over two hundred local children, youth and community volunteers working together for the benefit of the town!

To prepare for phase one, the local town crew prepared the new park grounds for planting and tree maps were laid out, trenches dug and watering plans put in place. The morning of September 27 brought bright sunshine, warm weather and lots of eager hands to help begin phase one of the planting. To kick-off the day, a brief assembly was held at the school and Eston Mayor, Al Heron, spoke about the importance of planting trees, telling students and community volunteers that in 20 years "they will be able to visit

Over 250 trees and shrubs were planted, with some earmarked as memorial trees. People dedicating memorial trees were welcome to take part and personally plant the tree that would be dedicated to their loved one, with memorial markers placed at a later date. Once all of the planting and watering was completed, the *Communities in Bloom* committee supplied a barbeque lunch for volunteers.

Future plans for the park include walking paths from all four corners of the park, intersecting in a centre site that will feature benches, flower gardens and statuary. This park is being built in the true spirit of community and will be enjoyed by many in the years to follow. ■

Valarie Mohan, School Secretary
Eston Composite School

|---------|--------------------------------------|----------------|
| Policy: | TOWN OF ESTON | No: T 3 |
| | TREE PLANTING POLICY | |
| | Approved: March 24, 2010 Revised: | Initial: |

Purpose: To provide a guideline for planned planting of trees within the Town of Eston that will be successful and add to the beauty of the community.

Policy:

1. The Town of Eston requires that planting of shade trees, ornamental trees and coniferous trees on public property, boulevards or adjacent to the street or boulevard be from Appendix A – Tree Suitability.
2. Permission must be obtained in advance for any planting on public property including the boulevard between a private property and the street.
3. The spacing between trees will be determined by the potential size of the mature tree. The following guidelines are provided.

Boulevards – Minimum of 20 feet from:

- .1 Ornamental Trees
- .2 Small shade trees

– Minimum of 30 feet from:

- .1 Large shade trees (poplar)
- .2 Adjacent private property (can be closer with written agreement between property owners)

Yard Planting – Minimum of 10 feet from:

- .1 Adjacent private property (can be closer with written agreement between property owners)
- .2 Underground services such as water, sewer, gas, electric and telephone.

– Minimum of 15 feet from:

- .1 Sidewalk, street or alley.
- .2 Traffic signs, street lights or fire hydrant.

– Minimum of 30 feet from:

- .1 Intersection

3. Trees planted closer than allowed under this policy may be removed, trimmed or moved by the municipality at any time.

Appendix #3 - Suggested List of Tree and Shrub Species

Provided by the City of Saskatoon Infrastructure Services Department, Parks Branch

| Common Name | Botanical Name | Spacing | Shape, Color, Mature Height |
|---------------------------------------|---------------------------|---------|---|
| Deciduous Trees (seasonal) | | | |
| Black Ash | Fraxinus 'Nigra' | 7.0m | oval shape, light green color, 8m ht. |
| Mancana Ash | Fraxinus 'Mancana' | 7.0m | oval shape, green color, 10m ht. |
| American Elm | Ulmus Americana | 7.0m | high head, green color, 25m ht. |
| Basswood | Tilia Americana | 7.0m | low head, dark green color, 15m ht. |
| Deciduous Shrubs (seasonal) | | | |
| Amur Maple | Acer Ginnala | 4.0m | low head, good fall color, 5.0m ht. |
| Silver Buffalo Berry | Shepherdia Argenta | 2.5m | ball shape, silver green color, 2.5m ht. |
| Red Osier Dogwood | Cornus Sericea | 1.5m | mound like, red stems, 2.0m ht. |
| Siberian Coral Dogwood | Cornus Alba 'Siberica' | 1.5m | upright, bright red stems, 1.5m ht. |
| Silver Leaf Dogwood | Cornus Alba | 1.5m | upright, white-green color, 1.5m ht. |
| Sweetberry Honeysuckle | 'Argenteo Marginata' | | |
| Golden Flowered Currant | Lonicera Caerulea | 1.5m | round, yellow-white flowers, 1.5m ht. |
| Adelaide Hoodless Rose | Ribes Aureum | 1.5m | dense foliage, gold color, 1.2m ht. |
| Sandcherry | Rosa Arkansana 'Adelaide' | 1.5m | sprawling, deep red flowers, 1.0m ht. |
| Katherine Dykes Potentilla | Prunus Pumila | 1.5m | spreading, grey-green color, 500mm ht. |
| Three Lobed Spirea | Potentilla Fruticosa | 1.0m | arching growth, yellow flowers, 1.0m ht. |
| | 'Katherine Dykes' | | |
| | Spiraea Trilobata | 1.0m | ball shape, white flowers, 1.0m ht. |
| Coniferous Trees (year round) | | | |
| Black Hills Spruce | Picea Glauca Densata | 4.0m | narrow pyramid, dark green color, 15m ht. |
| Scots Pine | Pinus Sylvestris | 4.0m | 5-7cm needles, blue green color, 15m ht. |
| Coniferous Shrubs (year round) | | | |
| Arcadia Juniper | Juniperus Arcadia | 1.5m | spreading, green color, 500mm ht. |
| Compact Mugo Pine | Pinus Mugo 'Compacta' | 1.0m | round, dark green color, 1.0m ht. |

Note: There are many other appropriate plant materials available. Contact your local nursery or landscape contractor.

Table 2: Tree Species and Site Suitability

| TREE TYPE | | SITE SUITABILITY | | | |

| | | OPEN SPACE ¹ <small>Includes parks, schools, golf courses, cemeteries and special use areas.</small> | STREET TREES | | |
| | | | RESIDENTIAL STREETS / PUBLIC WALKWAYS | Turf Areas or Planting Beds on BOULEVARDS / MEDIANS (>10m WIDTH) & TRAFFIC ISLANDS (>75m) | TREE WELLS/HARDSCAPE <small>(in hard surface areas such as sidewalks, plazas, etc. concrete, paving stone)</small> |
| D E C I D U O U S T R E E S | SHADE TREES | Ash species [DT] Birch species [IRR] Black walnut [X] [IRR] Butternut [X] [IRR] Elm species ² Delta Hackberry Horse chestnut [X] [IRR] Linden species Maple species Oak species Ohio buckeye [X] Poplar species [DT] Russian Olive [PS] Willow species Honey Locust [X] | Ash species [DT] Bur oak [DT] Elm species [DT] Delta Hackberry Linden species | Ash species [DT] Bur oak [DT] Elm species [DT] Delta Hackberry [H?] Linden species Poplar species [DT] Silver maple [H?] | Ash species [DT] Elm species [DT] Linden species |
| | ORNAMENTAL TREES | Mountain ash species Amur maple [DT] Cherry species [DT] Japanese tree lilac [DT] Rosebloom crabapples [DT] Russian olive [ST] [DT] Snowbird= hawthorn [DT] Usurian pear [DT] Mountain Alder [X] | American mountain ash Amur cherry Japanese tree lilac [DT] Mayday cherry [DT] [P] Rosebloom crabapples [DT] Schubert chokecherry [DT] | American mountain ash Amur cherry [H?] Amur maple [DT] Japanese tree lilac [DT] Mayday cherry [DT] [P] Rosebloom crabapples [DT] Schubert chokecherry [DT] | Japanese tree lilac [DT] Schubert chokecherry [DT] |
| | CONIFEROUS TREES | Pine species [DT] Siberian larch [DT] [ST] Spruce species Sub-alpine fir Tamarack Douglas fir [X] | Scots pine [DT] | Colorado spruce [DT] Scots pine [DT] White spruce Norway Spruce | Scots pine [DT] |

Table 3 provides a more detailed description of the recommended species and cultivars.

Table 3: Species and Cultivars

| GENUS | RECOMMENDED SPECIES and CULTIVARS |
|--|---|
| ALDER (<i>Alnus</i>) | 'Mountain Alder'(X) |
| APPLE (<i>Malus</i> ; ROSYBLOOM CRABAPPLE) (DT) | 'Almey' (rose), 'Hopa' (purplish-pink), 'Kelsey' (purplish-red), 'Makamlk', 'Pygmy' (deep purplish-red), 'Red Splendor' (light pink), 'Rudolph' (deep rose) 'Selkirk' (pink), 'Thunderchild' (pink), 'Radiant crab' (X) 'Strathmore' (pink) (X), 'Snowdrift', (X) |
| ASH (<i>Fraxinus</i>) [DT] [ST] | Green ash [DT] [ST]+ CV=s/selections: >Patmore', >Bergeson', >Prairie Dome', >Autumn Blaze' White ash [X], Black ash+ CV=s: >Fallgold', >Mancana' Manchurian ash, 'Prairie Spire', Northern Blaze |
| BIRCH (<i>Betula</i>) [IRR] | Chinese paper birch, Paper birch +CV=s: >Chickadee=, European birch |
| BUCKEYE (<i>Aesculus</i>) | Ohio buckeye Horse Chestnut |
| CHERRY (<i>Prunus</i>) [DT] | Amur cherry, Canada plum, Mayday tree [P], Pincherry [ST], Chokecherry [ST]+ CV: >Schubert=, Jumping Pound |
| ELM ² (<i>Ulmus</i>) [DT] [ST] | American (White) elm, Siberian elm, Brandon elm. |
| Hackberry (<i>Celtis</i>) | Hackberry+ CV's: Delta |
| Hawthorne (<i>Crataegus</i>) | Hawthorne+ CV's: Snowbird, Toba. |
| LINDEN (<i>Tilia</i>) | American Linden, Little-leaf linden + CV=s: Greenspire/Nordin, Dropmore linden + CV=s: 'Wascana', Mongolian linden, Boulevard (X), |
| MAPLE (<i>Acer</i>) | Amur maple, Manitoba maple [DT]+ CV=s: >Baron', Tartarian maple, Silver maple[H?] [DT] + CV=s: 'Northline'[H?], Silver Cloud, Northwood; Norway maple [X] + CV=s: >Schwedler[X], >Crimson King[X], Sugar maple [X]. |
| OAK (<i>Quercus</i>) | Burr oak [DT], Northern red oak[X], Mongolian oak[H?], Scarlet oak [X], White Oak |
| OLEASTER (<i>Elaeagnus</i>) | Russian Olive |
| PEAR (<i>Pyrus</i>) [DT] | Ussurian pear + CV: >Ure= [DT] |
| PINE (<i>Pinus</i>) [DT] | Scots pine, Lodgepole pine, Swiss stone pine, Jack pine [ST], Mugho pine, Ponderosa pine[H?] White Pine? |
| POPLAR (<i>Populus</i>) [DT] | European columnar aspen, Plains cottonwood + CV=s, Tower poplar, Northwest poplar, Russian poplar cultivars, Trembling aspen, Berlin poplar, Silver poplar[H?], Balsam poplar, Assiniboine poplar, Manitou poplar |
| SORBUS | Mountain Ash and CV's: American fastigata P, Rossica, Showy, European |
| SPRUCE (<i>Picea</i>) [DT] | Norway spruce, White spruce, Colorado (Blue) spruce [DT], Black Hills. |
| SYRINGA | Japanese tree lilac+ CV's : Ivory Silk |
| WALNUT (<i>Juglans</i>) | Black walnut (X), butternut (X). |
| WILLOW (<i>Salix</i>) | Laurel-leaf willow, Peach leaf willow [DT] [ST], White willow + CV=s: 'Chermesina' (Red-barked white willow), 'Sericea' (Siberian white willow), 'Vitellina' (Golden willow) (X) 'Trillis' (Prairie Cascade) |

Landscaped Areas – includes Turf and Open areas (an environment where plants are an essential element of the whole surroundings – water gardening, gazebos, parks, public gardens, community entrances, businesses, roadway medians. Native and introduced materials, balance of plants, materials and constructed elements, harmony, colour, texture, shape, high standards of maintenance, site rejuvenation, habitats for birds, butterflies or other small wildlife. Quality and naturalization of groundcovers and wildflowers, turf management (manicured to rough), mowing height and frequency, IPM, fertilization, irrigation, water restrictions. Conditions of turf on parks, sports fields, cemeteries, homes and businesses.

- Eston CIB has developed several small “pocket gardens/parks” with the permission and help from the Town.

- the Town has ongoing development of park spaces, also adding benches, tables, etc. to various areas
- Town has purchased mowing equipment suitable for areas being maintained
- Provisions made to water Jamieson and Henry Hamilton Parks as required

- Weed control is aided by selective herbicide application (with trained town employees) in the fall and spring
- Two baseball diamonds have sprinkler irrigation

- Walking path developed by museum includes benches and a fountain in “Hanson Lake”
- Eston Composite School has planted ground cover for their football field; watering is done using grey water from Jamieson Park
- Eston Cemetary is maintained by the RM of Snipe Lake
- A disc golf course has been added to the park area South of the Museum
- Town managed parks – Henry Hamilton, Jamieson Park, Peace Park
- Eston Lions Club members repaired damage around the town’s “Gopher” at the end of Main Street and built the fence to back the gopher
- Planter boxes have been built around the entrance signs coming into Eston and planted with perennials indigenous to the area
- School grounds – grass area maintained by Sun West School Division

- School Staff volunteers maintain and plant the areas around the Stepping Stone Path, Shirley Sim Owens Memorial Bench, the Meagan McNabb Memorial Flower Bed and the remaining flower beds in the school grounds
- Town owned boulevards – it is the expectation that home owners and residents maintain their respective boulevard area
