## **SPRA First Nation Recreation Development Grant**

---

### **1. Introduction**

The Saskatchewan Parks and Recreation Association (SPRA) First Nation Recreation Development Grant is supported by the Recreation Section of Sask Lotteries and is managed and administered by the Saskatchewan Parks and Recreation Association.

***The amount of funding available for the First Nation Recreation Development Grant, like all other SPRA grants in any given year, depends upon the availability of Lottery Funds in the Recreation Section for that specific year.***

### **2. Purpose**

Recreation plays a key role in the lives of every Saskatchewan resident and should be available to all. The SPRA First Nation Recreation Development Grant Program aims to support SPRA members to develop new recreation opportunities or initiatives in their community for First Nations people while also encouraging engagement and support of local First Nations in the development of the recreational opportunities.

The SPRA First Nation Recreation Development Grant is available to fund a one-time only recreation program. The successful applicant will have outlined how their program will promote the continued development of recreation in their community.

#### **Examples of Recreational Opportunities**

The following are examples of recreation programs that would be in the spirit of the Grant guidelines. This list provides examples, but eligible projects are not limited to the following:

- Learn to skate
- Traditional bow shooting
- Try it activity days
- Traditional arts and crafts
- Exercise programs
- Dance class
- Swimming program

### **3. Eligibility**

The SPRA First Nation Recreation Development Grant is available to eligible **Active members** of SPRA. Eligible Active members include First Nations Communities, Métis Regions, Cities, Towns, Villages, Rural Municipalities, Provincial Recreation Associations, Sport, Culture and Recreation Districts, and Regional/Urban Park Authorities. SPRA membership must be current.

Please note that:

- The contact name on the application must be the same contact name on the SPRA membership.
  - Tribal Councils are not eligible for funding.
  - Communities that have not fulfilled the requirements of SPRA Member's Grants from the previous three (3) years are not eligible to receive funding for this Grant. Further information on the status of previous grants can be gained by contacting SPRA at 1-800-563-2555.

- Grant payments will not be made if an applicant has any outstanding grant follow-up reports with the Sask Lotteries Community Grant Program, SPRA or the Sask Lotteries Trust Fund.

### **4. Available Assistance**

Applicants can apply for grants to a maximum of \$2,000. Preference may be given to applications that show self-help, i.e. identify partnerships, generate other sources of revenue. Programs will not be funded retroactively. Applicants can only receive one (1) SPRA Members Initiative Grant per initiative per year.

To maximize the benefits of the SPRA First Nation Recreation Development Grant, communities that apply for more than one (1) opportunity are requested to prioritize their applications (i.e. Priority 1, 2 or 3). A maximum of three (3) opportunities will be accepted from one (1) community.

Please note, new initiatives are encouraged as the Grant is not able to provide sustainable delivery funds. Previously funded opportunities will receive a lower priority due to the availability of funds in the Grant.

### **5. Expenditures**

The following items are considered ineligible:

- Capital expenses, assistance for the construction, renovation, or repair of capital facility projects such as arenas, pools, parks, athletic fields, trails, buildings, grounds, etc.
- Food related expenses – banquets, dinners, fundraisers and celebrations
- Subsidization of wages for full-time employees (additional staff hired to implement the program is eligible)
- Property taxes, insurance
- Alcoholic beverages
- Cash prizes including gift cards
- Off continent travel
- Uniforms or personal items such as hats or sweatbands

**Note:** Operating costs of facilities that are directly related to the recreation program opportunity are eligible to receive up to twenty-five percent (25%) of the total Grant for each program, up to a maximum of \$500 per program.

### **6. Application Process**

Applicants are encouraged to consult with SPRA prior to completing the application.

All applications must be received by the SPRA office or be postmarked on or before **November 15, 2020**.

SPRA will review applications to confirm that basic eligibility requirements have been met before determining if applications will be provided to the SPRA Member's Initiative Grant (MIG) Adjudication Committee. The Adjudication Committee evaluates applications against set objectives and criteria through a weighted scoring system.

Failure to meet the above funding obligations to the satisfaction of SPRA will be grounds to withhold final payment and restrict access to future funding.

The Follow-up Report must include evidence of how the program had an effect on your community.

SPRA would like to showcase the impact that this funding has had in your community. Please send us pictures, videos and written testimonials. We will only use your photos and videos when a release form has been signed by the participant or their legal representative. If your community does not have an established release form, SPRA's form can be used and submitted with your Follow-up Report.
