First Nation Recreation Development Grant

1. Introduction

The Saskatchewan Parks and Recreation Association (SPRA) First Nation Recreation Development Grant is supported by the Recreation Section of Sask Lotteries and is managed and administered by SPRA.

The amount of funding available for the First Nation Recreation Development Grant, like all other SPRA Grants in any given year, depends upon the availability of Lottery Funds in the Recreation Section for that specific year.

2. Purpose

The First Nation Recreation Development Grant Program aims to support SPRA members to develop new recreation opportunities or initiatives in their communities for First Nations people while also encouraging engagement and support of local First Nations in the development of the recreational opportunities.

The First Nation Recreation Development Grant is available to fund a one-time only recreation program. Successful applicants must outline how the program will promote inclusion of First Nations people in the continued development of recreation in their communities.

Examples of Recreational Opportunities

The following are examples of recreation opportunities that would complement the Grant guidelines. This list provides examples, but eligible programs are not limited to the following:

- Land-based learning activities.
- Learn to skate program.
- Traditional bow shooting.
- Try it activity days.
- Traditional arts and crafts.
- Fitness and physical activity development.
- Dance classes.
- Swimming program.
- Intergenerational recreation programs.

3. Eligibility

The SPRA First Nation Recreation Development Grant is available to eligible **Active members** of SPRA.

Eligible Active members include First Nations Communities, Métis Regions, Tribal Councils, Cities, Towns, Villages, Rural Municipalities, Provincial Recreation Associations, Sport, Culture and Recreation Districts, and Regional/Urban Park Authorities. SPRA membership must be current.

Please note:

- Members that have not fulfilled the requirements of SPRA Member's Initiative Grants from the previous three years are not eligible to receive funding for this Grant. Further information on the status of previous Grants can be gained by contacting SPRA at 1-800-563-2555.
- Grant payments will not be made if an applicant has any outstanding Grant Follow-up Reports with the Sask Lotteries Community Grant Program, SPRA or the Sask Lotteries Trust Fund.

4. Available Assistance

Applicants are encouraged to consult with SPRA prior to completing the application.

Applicants can apply for grants to a maximum of \$2,500. Preference may be given to applications that show self-help, i.e., identify partnerships, generate other sources of revenue. Programs will not be funded retroactively. Any program that has begun prior to the application deadline will not be considered.

Applicants can only receive one SPRA Member's Initiative Grant per program per year.

To maximize the benefits of the SPRA First Nation Recreation Development Grant, communities that apply for more than one opportunity are requested to prioritize their applications (i.e., Priority 1, 2 or 3). A maximum of three opportunities will be accepted from one community.

New initiatives are encouraged as the Grant is not able to provide sustainable delivery funds. Previously funded opportunities will receive a lower priority due to the availability of funds in the Grant.

5. Ineligible Expenditures

The following items are considered ineligible expenses:

- Capital expenses - assistance for the construction, renovation, or repair of capital facility projects such as arenas, pools, parks, athletic fields, trails, buildings, grounds, etc.
- Food related expenses – banquets, dinners, fundraising, and celebrations.
- Subsidization of wages for full-time employees (additional staff hired to implement the program is eligible).
- Property taxes, insurance.
- Alcoholic beverages.
- Cash prizes including gift cards.
- Out of province travel.
- Uniforms or personal items such as hats or sweatbands.

Note: Operating costs of facilities that are directly related to the recreation program opportunity are eligible to receive up to 25% of the total Grant for each program, up to a maximum of \$500 per program.

SPRA will review the applications to confirm that basic eligibility requirements have been met. Funding decisions of the Adjudication Committee are final and are not subject to appeal.

Applications will be reviewed approximately three weeks after the deadline date and applicants should know the outcome approximately four weeks following the deadline date.

75% of the total amount granted will be provided with confirmation of approval. The remaining 25% will be sent upon receipt and acceptance of the Follow-up Report.
