---

### **Amy Kent** **Position: Director for Cities**

My name is Amy Kent and I am from Regina. I am the Coordinator of Recreation Program Services at the City of Regina. I have lived most of my life in Saskatchewan and my whole career has been in the field of recreation.

I bring to the SPRA board over 20 years of experience working in the field of recreation where I currently provide leadership to teams who deliver fitness, recreation, and aquatic programming and services to the community of Regina.

My spare time is spent with my family and friends at the lake in the summer and at the rink in the winter. My passion is making memories with family while playing and just having fun!

I've served the last two years on the SPRA board as the Director for Cities and would be honoured to serve another term.
