

Arena Operator Level 1 Course – Ice Installation

Information and Registration Form

September 30 – October 1, 2019
La Palestre – 310 4th Avenue East, Gravelbourg, SK
Deadline: September 25, 2019

Course Description: This course provides a detailed account of ice installation and maintenance practices. The practical work of this course will focus on ice installation. Ice maintenance will be discussed more in the classroom portion of the course. Several complementary topics are discussed, as well, to provide participants with a well-rounded knowledge of arena industry practices. All the aspects discussed are related to the successful and safe operation of an arena facility. Furthermore, this course will discuss and share best practices with the registrants.

Course Information: **Course starts at 8:30 a.m. to 4:30 p.m. Proper steel toe footwear and clothing is required, as we will be on the ice surface for extended periods performing tasks related to ice installation/maintenance. Please bring ice cleats if you can. Lunch is not provided.**

Course Instructors: Canadian Arena Services
