

Nominees for 2020 SPRA Board of Directors

Ashrafal Alam

I grew up in New York City, achieved my BBA from Arizona State University and MBA from University of Nevada. I moved to Buffalo Narrows with my wife Nicole about two years ago when I accepted the position of Chief Administrative Officer. I completed my NACLAA level II from the University of Alberta as well as my Executive Certification in Local Government from Dalhousie University. Community involvement is extremely important to me and I would be honored to contribute on the SPRA Board.
