No <input type="checkbox"/>	I do not wish to receive electronic communications from the Saskatchewan Parks and Recreation Association .

2021 Saskatchewan Edition

Provincial Registration Form

(REGISTRATION DEADLINE: APRIL 15, 2021)

PROGRAM DETAILS

Saskatchewan Communities in Bloom Program Response to the COVID-19 Pandemic:

The Saskatchewan Parks and Recreation Association (SPRA) is committed to the safety of our staff, volunteers and communities. In support of current Public Health Orders, participants of the Program should be aware of the following:

- The Competitive Category is unavailable in 2021. This reduces competition pressures on participants, allows a regionalized approach to community evaluations (if needed) and gives all parties the flexibility to adapt quickly to an evolving situation.
- Community Evaluations being offered in the Novice, Evaluated Friends and Tourist's Takeaway categories may be cancelled following the registration deadline in response to new Public Health Orders and SPRA's organizational COVID-19 Mitigation Measures. If evaluations are cancelled, reimbursement options will be offered to participants.
- All activities of Communities in Bloom (provincial and local) must comply with Public Health Orders.

Participant Type:

Communities in Bloom is a program suitable for any type of community based participant.

1. Urban Municipality – Includes Cities, Towns, Villages, Northern Villages, Resort Villages and Northern Hamlets.
2. Community – Includes Organized Hamlets, Northern Settlements, Resort Hamlets, Unorganized Hamlets, Resort Communities, First Nations, Métis Communities, Special Service Areas and other community areas.
3. Rural Municipalities (R.M.) – Intended for R.M.s that wish to participate with their entire municipal area, including R.M. governed communities but excluding Urban Municipalities within R.M. borders.
4. Communities in Bloom Places and Spaces – Intended for non-municipal participants that are interested in Communities in Bloom's values and support. This non-competitive category may be evaluated or non-evaluated and includes a unique evaluation specifically developed for this category. Participants may include: Senior/Long Term Care Facilities, Park Authorities, Museum Facilities, Residential Complexes, Private Subdivisions and other non-municipal groups. Evaluated Participants are recognized for Bloom Achievement.

Category Selection for the Urban Municipality, Community and Rural Municipality Participants:

1. Novice – For new participants or those that have not been evaluated since 2018, a non-competitive evaluation in three criteria areas of the participant's choosing is completed and a Bloom Rating is awarded. This includes a program consult at the participant's request. This category is intended for a single year of participation and registrants are encouraged to enter another evaluated CiB Category in future years.
2. Evaluated Friends – Communities experience a non-competitive evaluation an effort to build community pride, gain knowledge, track community progress. Participants are recognized for Bloom Achievement.

Note: Novice and Evaluated Friends participants are required to prepare for a one day evaluation to take place during July or August and provide a night's lodging and a meal (typically lunch during the evaluation) for each judge (if requested).

3. Friends (non-evaluated) – Recognized for their participation, participants do not receive a Bloom Rating and are not visited by the judges. This category is recognized for participation only.
4. Tourist's Takeaway – **New Trial Category for 2021** – What would a tourist see when visiting your community? Using a customized evaluation grid, Communities in Bloom Judges will visit the community unannounced in July or August. There will be no in-person contact with the judges. Participants are recognized for Bloom Achievement.

Participant Responsibilities are to:

- Appreciate the Communities in Bloom Judges as they are volunteers focussed on helping you.
- Provide photographs, articles and detailed descriptions of projects to support the promotion of the program.
