# SPRA Framework in Action Grant

---

## 1. Introduction

The Saskatchewan Parks and Recreation Association (SPRA) Framework in Action Grant is supported by the Recreation Section of Sask Lotteries and is managed and administered by the Saskatchewan Parks and Recreation Association.

***The amount of funding available for the Framework in Action Grant, like all other SPRA Grants in any given year, depends upon the availability of Lottery Funds in the Recreation Section for that specific year.***

## 2. Purpose

The SPRA Framework in Action Grant aims to support SPRA member initiatives that advance the goals and priorities identified within *The Framework for Recreation in Canada 2015 – Pathways to Wellbeing* (the Framework). Initiatives will show alignment with one (1) of the goals of the Framework and can be local, regional or provincial in scope.

### A Vision for Recreation in Canada

We envision a Canada in which everyone is engaged in meaningful, accessible recreation experiences that foster:

- Individual wellbeing
- Community wellbeing
- The wellbeing of our natural and built environments

The goals of the Framework are:

- Active Living
- Inclusion and Access
- Connecting People and Nature
- Supportive Environments
- Recreation Capacity

To review *The Framework for Recreation in Canada 2015 – Pathways to Wellbeing* document, please visit: <https://www.spra.sk.ca/resources-and-advocacy/national-recreation-framework/>

Applications should clearly outline how the initiative will engage people and result in long-term benefits. Initiatives may include events, programs, studies and projects that effectively address the goals of the Framework.

For inspiration, see **Appendix I – Framework in Action Ideas.**

The SPRA Framework in Action Grant is available to eligible **Active Members** of SPRA. Eligible Active members include Cities, Towns, Villages, Rural Municipalities, First Nations Communities, Provincial Recreation Associations, Sport, Culture and Recreation Districts, Tribal Councils, Métis Regions and Regional/Urban Park Authorities. - Communities that have not fulfilled the requirements of SPRA Member's Initiative Grants from the previous three (3) years are not eligible to receive funding for this Grant. Further information on the status of previous grants can be gained by contacting SPRA at 1-800-563-2555.
- Grant payments will not be made if an applicant has any outstanding grant follow-up reports with the Sask Lotteries Community Grant Program, SPRA or the Sask Lotteries Trust Fund.

### 4. Available Assistance

Applicants can apply for grants to a maximum of \$2,000. Preference may be given to applications that show self-help, i.e. self-generated funds, donations-in-kind and other revenue. A maximum of one (1) application will be accepted from an Active SPRA member. Efforts will not be funded retroactively. Applicants can only receive one (1) SPRA Member's Initiative Grant per initiative each year.

Please note, new initiatives are encouraged as the Grant is not able to provide sustainable delivery funds. Previously funded opportunities will receive a lower priority due to the availability of funds in the Grant.

### 6. Application Process

Applicants are encouraged to consult with SPRA prior to submitting an application.

All applications must be submitted before the end of day **March 15, 2021**.

SPRA will review the applications to confirm the basic eligibility requirements have been met before determining if applications will be provided to the Framework in Action Adjudication Committee. The Adjudication Committee evaluates the application against set objectives and criteria through a weighted scoring system.

Funding decisions of the Adjudication Committee are final and are not subject to appeal.

Applications will be reviewed approximately three (3) weeks after the deadline and applicants should know the outcome of their application approximately four (4) weeks following the deadline date.

Seventy-five percent (75%) of the total amount granted will be forwarded with confirmation of approval. The remaining twenty-five percent (25%) will be sent upon receipt and acceptance of the follow-up report.

*Late applications will not be considered.*

### 7. Funding Obligations

All funds must be used within twelve (12) months of the application deadline date.

Where possible, groups receiving grants must publicly acknowledge Saskatchewan Lotteries and the Saskatchewan Parks and Recreation Association within their activities. Promotional materials will be made available to successful applicants. Logos for each organization will be made available to successful applicants.

Funds granted through the SPRA Framework in Action Grant may only be used for the purpose stated in the application and funds are not transferable. SPRA must approve, in writing, any significant change in the use of the funds. **Unused funds, or funds that were spent incorrectly, must be returned to SPRA.**

It is important to recognize if your program is funded through the SPRA Framework in Action Grant, that it must adhere to the COVID-19 restrictions, guidelines and protocols the Provincial Government has applied on public gatherings and programming. Your initiative must also follow public health recommendations set in place by the Saskatchewan Health Authority (SHA).

Failure to meet the above funding obligations to the satisfaction of SPRA will be grounds to withhold the final payment and restrict access to future funding.

### 8. Follow-up Requirements

Successful applicants will submit a Follow-up Report within thirty (30) days of completing the initiative. Follow-up Report forms will be forwarded to successful applicants.

The Follow-up Report must include evidence on how the initiative addressed one (1) goal of the Framework.

SPRA would like to showcase the impact of this funding. Please send us pictures, videos and written testimonials. We will only use your photos and videos when a release form has been signed by the participant or their legal representative. If your community does not have an established release form, SPRA's form can be used and submitted with your Follow-up Report.
