Tree Pruning Course
Information and Registration Form
June 13, 14 and 15, 2018
Registration Deadline: June 5, 2018
The Legends Centre – Multipurpose Room 3
701 Centennial Boulevard, Warman, SK

**Course
Description**

Participants will gain the basic skills and knowledge needed to understand how pruning affects the development and survival of trees. You will also learn how pruning is used for disease prevention. The course consists of classroom instruction and practical application that will require travel within Warman. You will practice pruning under the instructor's guidance. This course meets the requirements for elm tree pruners in Saskatchewan, under Dutch Elm Disease regulations. Students are required to dress for the weather and bring a set of handheld pruning shears and safety glasses. Following successful completion of written and practical exam components, a 'Statement of Achievement' will be issued by Sask Polytechnic. *Instructor:* Verna Mumby with Sask Polytechnic and Great Plains College.
