## About Us

Saskatchewan Parks and Recreation Association (SPRA) is a network of recreation leaders dedicated to energizing Saskatchewan and changing lives! We imagine a province where everyone has the opportunity to enjoy recreation and feel more connected to nature, our communities, and ourselves.

It's our job to connect, educate and inspire others to build this future together. We're empowered to succeed through funding support from Sask Lotteries.

We provide leadership, support and services that contribute to recreations' impact on the quality of life for people in Saskatchewan.

# Aquam

**Aquam** is one of North America's leading distributors of commercial aquatic equipment. The name is synonymous with customer satisfaction and uncompromising quality - the basic principles upon which it was founded, 33 years ago. Customers world-wide attest to Aquam's standard of excellence, appreciating the reliability of top-of-the-line equipment. This is where you'll find hundreds of products for the pool, including teaching aids and foam toys of unparalleled quality, aquatic fitness equipment, and training aids for competitive or athletic swimmers, as well as deck equipment, and the list goes on. On top of all that, you'll find friendly, knowledgeable staff ready to help you. Customers are Aquam's business.

# Flaman Fitness

**Flaman Fitness** is a proud member of the Flaman Group of Companies, which was founded in 1959 as a local agricultural retailer in the small community of Southey in southern Saskatchewan. The Flaman Fitness product line has expanded to commercial playground equipment, outdoor leisure equipment and of course, fitness equipment.

Flaman Fitness started in the early 1990's, when company founder Frank Flaman recognized the growing market for health and fitness products. The company moved quickly and aggressively into this market, and in only a decade, we have become the largest fitness equipment retailer in Western Canada!

**Contact:** Scott Thomson

# PlayWorks, Inc

**PlayWorks, Inc.** has been bringing play to life in communities throughout the prairie provinces since 1996. Our playgrounds are designed to put children first by keeping them interested, excited, and engaged while having fun! PlayWorks represents a wide range of playground manufacturers and utilizes them to assist clients with innovative, unique, and playful solutions. From traditional post and deck playgrounds to Robinia wood or net rope structures, our in-house design team creates places that compel children of all ages and abilities to play, stay, and return again. PlayWorks will work with you to make the most out of your space, budget, and maximize play value without compromising on quality, safety, or aesthetics.

ParkWorks, Inc. partners with communities to build vibrant, comfortable and safe outdoor spaces with a wide range of site and street furniture. Whether contemporary, traditional, or custom, these furnishings are designed to enhance public spaces and blend in with the environment. Accompanying these furnishings are outdoor fitness and sports field equipment, washroom buildings, shelters and shade sails that are durable and beautiful.

Specializing in: Playgrounds, spray parks, site furnishings, outdoor fitness, washroom facilities, sports field equipment, bike racks and shelters, bus and park shelters.

# Rubber Stone Global

Whether you want to create a beautiful space or you're simply looking to add a safer surface in areas prone to slippery conditions, **Rubber Stone** is flexible enough to meet your needs. Made of the highest quality recycled EPDM rubber and a specially formulated polyurethane binding agent, it is not only a durable option, but a beautiful and versatile option, for covering everything from pathways to playgrounds. You can even add traction and safety to slippery and unsightly sidewalks and entrances!

**Contact:** Blair Emde  
**Phone:** 1-888-799-3960
