FUNDED BY

**SASK LOTTERIES**

## Introduction

### About Us

Funded by Sask Lotteries, the Saskatchewan Parks and Recreation Association (SPRA) is a non-profit dedicated to connecting, educating, and inspiring parks and recreation providers to create parks and recreation spaces for the benefit of everyone.

### Purpose of the SPRA Grants and Funding Guide

The intent of this Guide is to aid the parks and recreation industry in searching for funding that supports their projects, programs, or initiatives.

### Using the SPRA Grants and Funding Guide

Opportunities presented in this resource are accurate as of the publication date. Our intention is to share grants and funding opportunities that are relevant to the industry, and as such, opportunities referencing specific companies, foundations or organizations should not be viewed as an endorsement.

### How Can We Help?

*Funding* – SPRA offers funding opportunities to support the industry. To find out more about the grants we offer, please visit [www.spra.sk.ca/funding](http://www.spra.sk.ca/funding). The landscape of funding is ever-changing. Receive deadline reminders, newly identified opportunities, and information by subscribing to our newsletter at <https://www.spra.sk.ca/resources-and-advocacy/newsletters/>.

*Consulting* – Our team has decades of experience helping communities, non-profit organizations and people like you with their parks and recreation needs. We have access to exclusive funding directories which can help identify funding opportunities.

*Training* – Our ongoing training, certifications and professional development will ensure your programs, services and facilities are run to the highest quality standards. In-person and online training are available.

## Government Funding Opportunities

### Government of Canada

The Government of Canada's website has a search function to assist those looking for grants. In addition, grants can be searched by visiting the webpages of individual departments and agencies. Below are some of the departments and agencies that are more likely to have funding relevant to parks and recreation:
