## Celebrate Recreation and Parks Month in Saskatchewan this June

The Saskatchewan Parks and Recreation Association (SPRA) invites all communities and beneficiaries of Sask Lotteries funding to recognize Parks and Recreation Month this June! Celebrating June as Parks and Recreation Month is one small way to share the benefits of parks and outdoor recreation spaces.

We're celebrating Recreation and Parks Month with our second annual [Connect on Common Ground](#) campaign. This is a call for everyone to embrace inclusion and belonging in Saskatchewan's parks and outdoor recreation spaces. From May 19<sup>th</sup> to June 30<sup>th</sup>, we encourage people from all walks of life to connect outside and celebrate the diversity of our people, parks, and recreation opportunities.

To support this campaign, SPRA has partnered with Ivy + Dean and the Multicultural Council of Saskatchewan to offer free online workshops in support of culture and gender-based equality and inclusion. The campaign will be supported by online ads, digital videos, and social media posts. Posters promoting our campaign are available for recreation facilities and community centers upon request.

Follow us on [Facebook](#), [Instagram](#), and [YouTube](#) to help spread the word about Recreation and Parks Month and the Connect on Common Ground campaign.

Sincerely,

Carolyn Bates-Hardy (she/her)

---

Demonstrate your support for continued investment in parks and recreation in Saskatchewan by signing the form below and returning it to us by email at [cbates-hardy@spra.sk.ca](mailto:cbates-hardy@spra.sk.ca).

I/we \_\_\_\_\_ celebrate(s)  
June as Parks and Recreation Month in recognition of the value and benefits parks and recreation  
have to people and communities of Saskatchewan.
