

## Parks for All Action Grant 2025/2026

### 1. Introduction

The Saskatchewan Parks and Recreation Association (SPRA) Parks for All Action Grant is supported by the Recreation Section of Sask Lotteries and is managed and administered by SPRA.

***The amount of funding available for the Parks for All Action Grant, like all other SPRA Grants in any given year, depends upon the availability of Lottery Funds in the Recreation Section for that specific year.***

**The Parks for All Action Grant application deadlines are November 12, 2025 and May 13, 2026.**

### 2. Purpose

The Parks for All Action Grant is a commitment to the *National Parks for All Action Plan* and aims to support efforts that achieve the *Parks for All* vision. Efforts can be local, regional or provincial in scope.

The *Parks for All* vision is:

*Connected Canadian Park lands and waters that support healthy nature and healthy people in harmony for generations to come, backed by an active, diverse parks community that cultivates shared goals, mutual respect and collective action.*

*Parks for All* includes four Strategic Directions:

- Collaborate
- Connect
- Conserve
- Lead

[Click here to review the \*Parks for All – Action Plan for Canada’s Parks Community\*](#)

Applications should clearly outline how the initiative will engage people and result in long term benefits. Initiatives may include events, programs, studies and projects that effectively fulfill the *Parks for All* Strategic Directions.

For inspiration, see [Appendix I - Parks for All Action Ideas](#).

### 3. Eligibility

The SPRA Parks for All Action Grant is available to eligible **Active and Associate members** of SPRA. Associate members must be a registered non profit, registered charitable organization or a school. **SPRA membership must be current.**

**For more information on the SPRA membership categories visit our [website](#)**

**Please note:**

- Members that have not fulfilled requirements of SPRA Member's Initiative Grants from the previous three years are not eligible to receive funding for this grant. Further information on the status of previous grants can be gained by contacting SPRA at 1-800-563-2555.
- Grant payments will not be made if an applicant has any outstanding Grant Follow-up Reports with the Sask Lotteries Community Grant Program, SPRA or the Sask Lotteries Trust Fund.

**4. Available Assistance**

Applicants are encouraged to consult with SPRA prior to submitting an application.

Applicants can apply for grants to a maximum of \$5,000. Preference may be given to applications that show self-help, i.e., self-generated funds, donations-in-kind and other revenue. A maximum of one application will be accepted from an Active or Associate SPRA member.

If applications are received from multiple groups within a municipality, only one will be approved to ensure geographic balance, with priority given to the project that has the greatest impact.

Applicants can only receive funding from each SPRA grant once per fiscal year (July 1, 2025, to June 30, 2026). Additionally, an initiative can only be supported by one SPRA grant per year - the same initiative cannot be funded by multiple SPRA grants.

New initiatives are encouraged as the grant is not able to provide sustainable delivery funds. Previously funded opportunities will receive a lower priority due to the availability of funds in the grant.

**5. Ineligible Expenditures**

The following items are considered ineligible expenses:

- Capital expenses, assistance for construction, renovation, or repair.
- Food related expenses – participant meals and snacks, banquets, dinners, fundraising and celebrations (food expenses are considered eligible if they are necessary for a cultural activity).
- Subsidization of wages for current employees.  
Note: Employment expenses are only eligible for staff hired specifically and exclusively for the funded program, and must meet the following conditions:
  - Maximum of 40 hours per week
  - Employment period of no more than 120 days.
- Property taxes and insurance.
- Alcoholic beverages.

- Fireworks.
- Bouncy castles.
- Prizes.
- Out of country travel.
- Uniforms or personal items such as hats, sweatbands or t-shirts.
- Coaches, officials and athletic certifications.
- EMS, CPR and First Aid Training.
- Serve it Right and Food Safe Handling training.
- Electronic devices (TVs, radio, computer, etc.).
- Operational costs to run a facility (water, power, energy, etc.).
- Maximum 25% of approved grant up to \$1,250 per initiative for promotion unless a higher percentage is justified and pre-approved.
- Other expenses that may be deemed inappropriate.

**Note:** Rental costs of facilities (including parks and tent rentals) that are directly related to the recreation program opportunity are eligible to receive up to 25% of the total grant for each program, up to a maximum of \$500 per program.

## **6. Application Process**

**All applications must be submitted on SPRA's online grant platform on or before November 12, 2025 or May 13, 2026.**

SPRA will review applications to confirm that basic eligibility requirements have been met before determining if applications will be provided to the Parks for All Action Grant Adjudication Committee. The Adjudication Committee evaluates the application against set objectives and criteria through a weighted scoring system.

Funding decisions of the Adjudication Committee are final, will not be revisited and are not subject to appeal.

Applications will be reviewed approximately three weeks after the deadline date and applicants should know the outcome of their application approximately four weeks after the deadline date.

75% of the total amount granted will be forwarded with confirmation of approval. The remaining 25% will be sent upon receipt and acceptance of the Follow-up Report.

Late applications will not be considered. Projects will not be funded retroactively. Any project that has begun prior to the application deadline will not be considered.

## **7. Application Requirements**

The following information must be included in the application. Incomplete applications will not be considered. Approval of applications will be based on all the areas listed below.

**a) Contact Information**

The name of the **Active or Associate member**, contact person, telephone number, address, email address, program name, amount of funding requested, start and completion date(s).

**b) Proposal**

A detailed description of the initiative and how the need was determined.

**c) Action in Support of *Parks for All***

Outline how the initiative will promote continued action in support of one or more of the listed *Parks for All* Strategic Directions.

**d) Outcomes**

Outline the initiative's outcomes and impact and include how they will be measured for success.

**e) Budget**

Complete a proposed budget, using the following outline:

- List of revenues (including Parks for All Action Grant request, partnerships, other grants, fees, and all self-help funds).
- List of expenses (including promotion, materials, equipment, transportation, registration, mileage, professional fees, and all other eligible expenditures).
- The application must have a balanced budget (revenues and expenses are equal).

**Please submit your grant application and supporting documentation through the SPRA Online Grant Platform prior to end of day on November 12, 2025 or May 13, 2025.**

**[Click here to access the SPRA Online Grant Platform.](#)**

**Note:** New users to the Online Grant Platform will need to create a username and password to access any of the SPRA Member's Initiative Grants. Existing or previous users can simply enter their username and password to access the site. If log-in information has been lost, or if further information or clarification is needed for this grant, please contact SPRA.

**8. Funding Obligations**

All funds must be used within 12 months of the application deadline.

It is understood that activities offered through programs funded by the SPRA Parks for All Action Grant must adhere to all Government of Saskatchewan Public Health Orders (if in effect at the time of activity) and that activities are expected to

provide a safe environment for those involved.

Where possible, groups receiving grants must publicly acknowledge Sask Lotteries and SPRA within their activities. Logos of each organization will be made available to successful applicants upon request.

Any signage purchased with grant funding must include the Sask Lottery and SPRA logos.

Funds granted through the SPRA Parks for All Action Grant program may only be used for the purpose stated in the application and funds are not transferable. SPRA must approve, in writing, any significant change in the use of funds. Unused funds or funds that are spent without prior approval must be returned to SPRA.

Failure to meet the above funding obligations to the satisfaction of SPRA will be grounds to withhold the final payment and restrict access to future funding.

## 9. Follow-up Requirements

Successful applicants will submit a Follow-up Report within 30 days of completing the initiative. Follow-up Report forms will be assigned on SPRA's Online Grant platform. The Follow-up Report must include evidence on how the funded initiative was implemented and how it fulfilled the vision of *Parks for All* in the community.

**SPRA would like to showcase the impact of this funding. Please send us pictures, videos and written testimonials.** We will only use your photos and videos when a release form has been signed by the participant or their legal representative. If your community does not have an established release form, SPRA's form can be used and submitted with your Follow-up Report.

SPRA's Photo Release Form can be accessed online by clicking [here](#).

In addition to the completed Follow-Up Report form, SPRA requires the following financial accountability for the complete grant amount: photocopies of actual receipts, cancelled cheques or a schedule from the audited financial statement of the organization that verifies the program expenditures.

**SPRA reserves the right to request a refund of the grant amount from members that do not submit the required Follow-up Report.**

## 10. Privacy

The protection of information is important to SPRA. We, as an organization, are committed to protecting the privacy of our members, volunteers, partners and employees. Our commitment is to maintain the confidentiality of your information and preserve your right to privacy.

SPRA will collect, use and disclose funding information in order to adjudicate this grant. SPRA reserves the right to promote and advertise the grant recipients and projects.

We welcome your feedback on this and on other SPRA programs and services.

**Please review the following checklist to ensure that all required information has been included in your Parks for All Action Grant application.**

- Your SPRA membership is Active\*.
- Expenses totaling the requested amount are eligible Completion and submission of a balanced budget.
- Completion of **all** sections of the application.
- Check all declarations in the application.
- All required documents have been filed in order to close past grants.

\*If you are interested in applying but do not represent an eligible SPRA member, please contact us to find out who the eligible members are in your community. To find out more about SPRA and becoming a member, please visit our website by clicking [here](#).

## Appendix I - Parks for All Action Ideas

*Parks for All* recognizes that "Connecting with Nature is good for Canadians, for personal, community and societal enrichment." Therefore, the Parks for All Action Grant may support initiatives such as:

- Programming to encourage the use or care of green spaces (natural or created).
- Natural heritage appreciation.
- Parks and open space projects specifically for educational, connectivity, and/or cultural purposes.
- Relationship development that will connect people to nature - this includes recognition of cultural practices.
- Stewardship and conservation efforts.
- Education, learning, awareness, and appreciation activities that are directly connected to acting on the Parks for All Strategic Directions.

The Parks for All Action grant can support initiatives that align with key areas of the Truth and Reconciliation Commission of Canada's Calls to Action.

Within the Strategic Directions, potential initiative ideas include:

### Collaborate

*Nurture Partnerships* between Indigenous communities and the parks community that: facilitate training and knowledge sharing, integrate lessons from the past, strengthen economies, support leadership, and/or create relationships in the spirit of reconciliation.

*Collaborate to:* use parks as natural classrooms, enhance partnerships with the health sector, increase the economic benefits of parks through tourism, encourage the arts in our parks, share best practices in the parks sector, and/or enhance park governance.

*Develop and Implement Strategies*, which will: create connection between wilderness and urban areas, allow communities to act as effective tourism gateways to parks, ensure that parks function as sustainable ecosystems, and encourage partner organizations to support *Parks for All*.

### Connect

*Raise public awareness* of parks through: integration of nature into indoor and outdoor public spaces, the connection of community parks and wilderness parks through communication, engaging families and schools in the benefits of being outdoors in nature.

*Facilitate experiences* that connect people to nature through: programming, recreation experiences, child-directed play, wilderness skills training, cultural tourism, and the creation and expansion of parks.

*Share stories* that: showcase successes with park technologies, allow others to value their own park experiences, recognize parks as natural solutions to environmental, social and economic issues and encourage nature citizen based stewardship projects.

### Conserve

*Expand Canada's parks* by: contributing to protected lands, identifying and conserving valuable spaces, establishing new parks, converting underused urban spaces into parks, being part of the global conservation effort, and supporting efforts that help Canadians value nature.

*Enhance parks planning* by: making well informed decisions with western and traditional knowledge, applying internationally recognized tools to parks governance, supporting ecological monitoring and public reporting, sharing best practices, using conservation tools to protect biodiversity and species at risk, and linking park management strategies to public programming.

*Enhance ecosystem benefits* from parks by: sharing the importance of nature, showcasing the economic, social, cultural and environmental benefits of healthy ecosystems, collaborating with partners to include parks in climate change strategies, including climate change impacts in park policies and management plans, ensuring ecosystem restoration adapts to changing climates, and developing integrated urban park system plans across the sector.

### Lead

*Pave the way* by: nurturing healthy communities through connection to land, water and storytelling; working to meet international conservation goals and sharing successes; showcasing sustainability targets and green initiatives in parks; leading open governance arrangements between public authorities and Indigenous governments; elevating the role of community and government in establishing parks; connecting to other parks in the system; and increasing research into park governance and sharing of positive examples.

*Build capable current and future leaders* by: developing grassroots nature-based programs and services that engage the generations; including youth and young professionals in parks dialogue and decision making; promoting social equity, diversity and inclusion in parks; and supporting opportunities for Indigenous peoples in parks on or near traditional lands.

*Develop and maintain systems, tools and resources* that support leaders by: encouraging mentorship between young professionals, current leaders and retired individuals; generating research that links conservation, connection with nature and better human outcomes; establishing platforms for sharing parks information and traditional knowledge; developing systematic processes for park governance and management, and creating regular opportunities to gather in parks.

***Unique Concepts in Support of Parks for All***

In addition, a small listing of potential efforts that the Parks for All Action Grant may support include:

- Nature Engagement and Education Initiatives such as: Project Wild programs, Junior Naturalist/Forester programs, Art in the Park programs, Winter Learning in the Park initiatives and more. Community Engagement sessions for Park Planning, Conservation and Environmental efforts.
- Educational sessions and training initiatives that engage the public and/or stakeholder groups such as: Planting on the Prairies with Native Species, a Tree Planting and Care Course, and a Community Irrigation Workshop, etc. Knowledge sharing efforts which engage the next generation and allow elders to pass on information about the medicinal value of native vegetation such as Traditional Medicine Harvest programs.
- Outdoor Learning Tools and Interpretive signage which will create a connection to nature through programming.
- Planning services for Parks and Open Space Initiatives including but not limited to public consultations, geotechnical reports, design development, etc.

Please note that there are many other efforts beyond this list that may be considered for the Parks for All Action Grant. The examples are provided to encourage understanding of the options applicants may pursue.
