About Us

A better quality of life through parks and recreation

The Saskatchewan Parks and Recreation Association (SPRA) is a provincial nonprofit dedicated to connecting, educating, and inspiring recreation and parks providers.

We offer consulting, funding, and training services to parks and recreation providers and are a voice and advocate for the parks and recreation industry.

Through the Sask Lotteries Trust Fund, we provide funding support to the seven Sport Culture & Recreation Districts in Saskatchewan, 32 Provincial Recreation Associations (PRAs), communities, nonprofit organizations, volunteer groups, parks and recreation providers, and post-secondary students.

Sask Lotteries

Bringing Recreation to Life

Proceeds from the sale of every lottery product purchased through Sask Lotteries benefits over 12,000 nonprofits, communities and groups across our province.

SPRA plays an integral role in distributing a portion of Sask Lotteries proceeds across the parks and recreation industry. Together with our partners at Sask Sport and Sask Culture, we collectively work to distribute these funds and make shared investments in programs that support participation in sport, culture and recreation like:

- Community Grant Program
- Northern Community & School Recreation Coordinator Program
- Dream Brokers
